Surface shipping for small parcels outside the U.S. is no longer available from Postal Service or any other carrier.

We will notify you if special circumstances require postage charges higher than shown.

To calculate the shipping charge on your order, add up the merchandise total of comix, books, and other small-format items and then check the top chart to see what the charge will be. If you are also ordering any posters, art prints, or press sheets, these are shipped separately in a tube. Add up the merchandise total for those items and add the shipping charge shown for that merchandise total from the bottom chart to the charge from the top chart.

If you are only ordering one type of merchandise or the other, just use the shipping charge shown for your order's merchandise total in whichever chart applies.
